I wait for thee Ma - ry the ves - pers low bell, Has tolled for the day - light a

fu - ner - al knell, My bark is im - patient to bound o'er the sea, Sweet

Ma - ry, my Ma - ry I'm waiting for thee; Far hence o'er the billow a

home I have made, De-lightfull with blossoms and pleas-ant with shade, Where

life shall pass gai-ly like beau-ti-ful dreams, As bright as the sunshine as

glad as the streams. sra - - - - -

I wait for thee Ma-ry-my heart beateth fast, The fu-ture is pain-ted with

hues from the past, And fau-cy's cre-a-tions the brightest and best, Like

hea - ven - ly vis - ious a - rise in my breast, The stars shed their lus - tre, the

moon smileth bright, Earth sleeps in the bosom of guar - di - an night, My

boat is im - pa - tient to fly o'er the sea - Sweet Ma - ry! my Ma - ry I'm
